Mr. Matt Dorsey,  
LA Area Senior Administrator  
HP Communications, Inc.  
13341 Temescal Canyon Rd.  
Corona, CA 92883

Dear Matt:

On behalf of SpeedInfo, Inc., I would like to thank you and the entire HP Communications team for your successful efforts to support the installation and maintenance of SpeedInfo's DVSS-100 Doppler Vehicle Radar Systems throughout the Los Angeles, Orange and Ventura County regions.

The fact that your firm has been able to rapidly deploy and install our equipment to meet internal and external customer demand, coordinate the installations with state agencies and Caltrans inspectors, and operate on time and on schedule under almost any traffic conditions is a testament to the talent and skills employed by your firm, and your dedication to exceeding our expectations.

We value our partnership with HP Communications and rely on your abilities to mobilize and support our network data service throughout Southern California. Your professionalism and expertise improve our ability to meet our customer's needs, and we appreciate having a partner that understands our business.

Sincerely,

Charles E Armiger Jr.  
VP Program Development
