To whom it may concern:

It is always a pleasure for me to provide a letter of recommendation.

Over the past years I have had the pleasure of working with Nick Goldmann on several different Sprint PCS projects.

Even though each project was unique, Nick Goldmann/HP Communications Inc. and his management staff always managed to adapt, as well as provide customer service second to none.

Based on my direct observation and that of the Sprint PCS Construction Coordinators, HP Communications Inc. provides top quality construction services. Besides possessing all the necessary construction skills, from make-ready through activation, HP will provide solutions for the unique and extra-challenging situations.

If you need a communications contractor, I can recommend HP Communications Inc. enthusiastically.

Please don't hesitate to contact me directly if you would like additional information.

Sincerely,
